

Statement Acknowledging Responsibility  
to Keep Confidential Information

My signature below acknowledge that I have read and understand Non-Disclosure Agreement (NDA) of joint research using SOI signed between High Energy Accelerator Research Organization (KEK) and OKI SEMICONDUCTOR CO., LTD. contracted on Dec, 10, 2008.

I understand that confidential information defined in section 1 of the NDA must be kept under secure control of mine and not shown to any other person. When the design was completed, I promise the Process Libraries and its documents provided by Oki Semiconductor Co., Ltd. to be deleted completely from Computers, and to be abandoned.
